

Step 1

To upload a picture, go to the upload tab. Then you can drag and drop pictures or chose a photo/video to upload. Find the picture you want to upload then click open.

Step 2

Once you click open you come to this page. Here you can add tags(keywords that allow people to find your picture) and people to share it out with. You can also make it private and add it to a set which is like an album. Then click the blue upload photo button in the top right corner of the page.
